

**REMARKS**

Upon entry of the above amendment, claims 1-8, 10 and 12-14 will be pending in the captioned application. The claims have been amended to incorporate the hydrates, solvates, salts, hydrates of the salts and solvates of the salts of the compounds of formula 1. Specific basis for this amendment can be found in the last paragraph on page 7 of the specification. Further, the claims have been amended to recite the singular "A compound" in lieu of the plural "Compounds".

Neither the amendments to the claims, nor the newly introduced claim, add new matter within the meaning of 35 U.S.C. §132. Accordingly, the Examiner is respectfully requested to enter the above amendment before examination. If the Examiner has any questions regarding this submission, she is invited to telephone the undersigned attorney.

Respectfully submitted,
